Dear Phil:

Attached are copies of an exchange of correspondence with Mr. Harold E. Stearns, which is self-explanatory. Could you see that it is brought to the attention of Mr. Byroade or of some other responsible person in the German Office or in the German section of OIR? The reports mentioned in Stearn's letter may come to me c/o the Staff. If so, there is no use sending them to me here. Just give them to whoever has the letter.

Sincerely,

George Kennan
